Contact Us

After listening and seeing us on this website, and hopefully on one of our gigs, we're sure you'd like to play along... or invite the Dixieland or Bigband for your wedding party, garden party, company reception or general-purpose party in need of an original sound (book us at least one month in advance). You can get in touch with us in several ways.

Probably the best way to get to know us is to have a listen when we're rehearsing. Rehearsals are on mondays. The Dixieland is not rehearsing regularly (we are so great and routined that we don't need to practise! nah!). The Big Band plays from 20h00 until 22h30. The location is at the STUK, Naamsestraat 92, 3000 Leuven. Go downstairs, enter and cross the lobby; go out. Our rehearsal room is the first door at your left. (ensemblezaal) After the rehearsal you can find (the thirstiest amongst) us at Peter's, cafe "Bierkar"; on the other side of the street. (every week!)

You can also get in touch (if you're lucky) with Bart, our conductor: (note: Bart is usually undercover, sporting a nice moustache and driving in a car with more gadgets than James Bond can handle.)

- By writing him at the following address : Bart Preneel, Kasteelpark Arenberg 10, Bus 2446, B-3001 Leuven
- By calling him at 016/32.11.48 (office) or 016/40.63.69 (home).
- Or by e-mailing him at BartDOTPreneel(AT)esatDOTkuleuvenDOTbe. (recommended)
