SNOW

D. Intellectual property statement.

The SNOW stream cipher is Copyright (c) 2000, Thomas Johansson and Patrik Ekdahl. The SNOW cipher is not based on any license or patents.

We hereby grant anybody license to use, copy, modify and/or distribute the SNOW cipher, under the following terms:

1. You may not license or patent any intellectual work and/or product based on a copy or a modification of the SNOW cipher. You may include the SNOW cipher in a licensed or patented product but the SNOW cipher must then be excluded from the license or patent in question.

2. The copyright holders are not legally responsible for any damage caused by the use of any product based on the SNOW cipher.

3. You may not use, copy, modify, or distribute the SNOW cipher except as expressly provided under this license. Any attempt otherwise to use, copy, modify or distribute the SNOW cipher is void, and will automatically terminate your rights under this license.

This license can only be made void by the copyright holders and the NESSIE committee in agreement with the copyright holders.

The authors also undertake the task to update the SNOW cipher as required by the NESSIE committee.
